tbc

- Employment law issues surrounding the misuse of Digital Media
- Data protection and privacy issues
- Defamation
- Drafting and implementing a Digital Media Policy

A5 Measuring Return on Market Research Investment

tbc

- Aligning market research briefs with corporate goals
- From nose to tail – ensuring all findings are utilised
- Demonstrating ROI

WORKSHOP OPTIONS - THURSDAY 10TH MAY

You will attend two of the five workshops

B1 Make it clear quickly: straightforward tips on clear writing and clear layout

Simon Carter - *Clear-writing trainer and ex graphic designer, One Three Four Ltd*

- Examples that show how clear language and clear layout can improve client updates, reports, pitches, emails and voicemails
- Tips on common language/writing traps (from over-formal language to the 'me, me, me' mistake) and how to avoid them
- How to use a conclusion-first approach and basic document features to get readers to start (and keep on) reading
- Why received wisdom (e.g. 'people need a narrative'; 'pages must have lots of white space'), and internal marketing/communications experts, are often wrong

B2 Cyber Footprints: what is your route?

tbc

- The wondrous ways of the www
- Information dissemination (personal and professional) in cyber space
- Taking charge, understanding your responsibilities and minimising your exposure to risk

B3 Social Media: credible tool or information black hole

Natasha Murray - *Research Manager, Zolfo Cooper*

- What social media tools are available?
- Identify the potential risks and advantages
- How can social media tools be utilised for research, training and marketing?

B4 Outsourcing and the Legal Sector

Gillian Watt - *Director, Isential Solutions Limited*

Michael Maher - *Director, Isential Solutions Limited*

- The landscape – an overview of the sector
- The challenge – a law firm view in context
- The future – business transformation and new opportunities

B5 Managing Pressure and Effective Decision Making

Nigel Griffiths - *Managing Partner, AxiaMetrics*

Stuart Holcroft - *Performance Director, Fearless Putting*

- Dealing with pressure and assisting staff in dealing with pressure
- Delegation and effective monitoring
- Taking time to make the right decisions
